100 Club

What is the 100 Club?

The 100 club was formed to help the club generate some much needed funds and to give all club members the chance to put a little into the club and have some enjoyment of being part of a monthly draw with a chance to win some money.

The cost of a go in the 100 club is only £2 per month £1 going into our club and £1 going into the monthly draw and special Christmas draw.

This can be paid in several ways either with a standing order, a cheque for 6 or 12 months subscription or paid cash to the treasurer/fundraiser Robert Wilson

Whilst this is not a mandatory fee payable to the club, the funds are used in general for all clubs members and it should be looked upon a way of helping out with halls rents for meetings liability insurance, clubs expenses etc.

You can have as many goes as you wish and you don't have to be a member of the club to participate so you can try and get as many friends and family involved also.

If you are interested in joining the 100 club contact Robert Swan the more people who join the higher the prize money! Good Luck!

Other Club / Fishing News

There is a new club Facebook page which we hope should in time help recruit new members. Feel free to post anything fishing related the more traffic the more chance of connecting with a potential new member.

This will be my last newsletter as club secretary as previously explained I have had a change in circumstances with work and family life and can no longer commit the time required to assemble a decent quality newsletter and attend the all monthly meetings, I also feel the way forward for the club is through social media and the new club website, however if anyone wants to take over the secretary role and produce a newsletter get in touch with the committee.

Robert is standing down as club treasurer and we need someone to fill that position also if you feel you can committee to a role within the club contact the committee.

Chairmans End of Year Review

Just to bring the 2016/17 season to a close I would like to take this opportunity to thank all the committee for their time and effort they have put in for the past 12 months.

To Ken Duff who has been keeping note of all committee and monthly meetings for as long as I can remember.

To Chris Don who had only been a club member for a few months then took on the role of secretary and has done a good job on the social media side of things which has ended up with some new members coming into

To Robert Swan (the tight bastard) for his role of treasurer for the past 5/6 years.

To Gordon McFall for organizing all the club shore outings and organizing the trophies and to Stewart Walker for organizing the club boat outings.
